FOR IMMEDIATE RELEASE: (10-29-2008)

**Miraclebeam offers teachers and professionals convenient green laser for presentation enhancement. Miraclebeam Products introduces affordable new Miraclebeam 5mW Green Laser Pointer.**

(CHATSWORTH, CA) –Miraclebeam Products, Inc., (MPI) makers of Miraclebeam Pet lasers, Miraclebeam Cat-Lite Flashing and Reflective Collars and Leashes, Miraclebeam Cat-Lite Flashing and Reflective Collars and Leashes, Miraclebeam Ultra-Lite LED flashlights and other portable laser and LED products, announced the introduction of their new FDA approved line of Miraclebeam 5mW Green Laser Pointers to enhance presentation performances and other laser needs.

“This new pen-sized product line represents an innovative time in our Company’s history and indeed, for astronomers, teachers and professionals.” said Kai Clarke, President of Miraclebeam. “We are introducing to our key channel partners our new line of Miraclebeam Green Lasers to enhance presentation visibility.” “The Miraclebeam 5mW Green Laser Pointer contains a premium brass construction that fits into your purse or pocket. This allows presentations to be seen from up to 2 miles away. In addition to its’ robust construction, the 532 nm wavelength gives added visibility, enhancing the premium value-add of the Green Laser line”, continued Clarke. “The ultra-strong laser is 50 times stronger than a classic red laser and is FDA approved.” “This is one of many steps in our program of introducing new laser products and integrating high-visibility technologies into diverse new channels. Our 5mW Miraclebeam Green Laser Pointer

reflects the needs of professionals who require their presentations to be seen under all conditions, and who demand the security of robust, premium products found throughout our entire line.”

"Miraclebeam is clearly the market leader in the area of laser products, reflective technologies and handheld LED devices, and our new team is building on that success with the introduction of our new line of Green Laser Pointers” Kai Clarke said. "This new product introduction will give our team the opportunity to leverage the Miraclebeam brand name while creating brand extensions in the retail laser product market.
